Essential Worker Pay Negotiations – December 2, 2021

IOUE Members,

The federal stimulus, American Rescue Plan Act (ARPA), federal and state guidelines have been released regarding essential worker premium pay. To date, no essential worker pay recognition has been distributed to any of the state bargaining units. Your Union has reached out to CalHR to evoke Article 24.1, Federal funding for essential worker premium pay. Our first meeting will be held on December 8, 2021.

Your Union is committed to fighting for essential pay for all our members. We will be communicating to the State the importance of recognizing our members heroic contributions of putting their physical well-being at risk to meet the daily needs of the State by providing critical services to the State of California.

Please continue to check the website for updates.
